Fully Renovated Junipero  
Floorplan

Welcome to 1988 Eucalyptus, A masterpiece that will thrill the senses and leave even the most discerning buyers profoundly impressed. Designed as a work of art, this recent \$600K whole-house renovation offers a unique blend of sophisticated design, unparalleled quality and a vigilant attention to detail. Decadent hand-made,, walnut cabinets seamlessly blending the wood grain of each cabinet together, Quartzite counters, custom range hood and the wood paneled refrigerator are only the most obvious of the luxurious features. All set against Sweeping Golf Course, Sunset and Ocean views peeking through a tree-lined backdrop.
